Co-ordinator's Note

"Success comes to those who work hard and stays with those, who don't rest on the laurels of the past."

We go through a continuous process of reflection and hence we at 'The Sanskriti School Lucknow' implement a well-balanced curriculum to ensure that the children who walk into the portals of our Schools will not just love their school years but truly be prepared to face life's challenges.

"To motivate the weak, to address the average and challenge the gifted" is the pedagogy of our school.

Aristotle once said that, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement in technology and globalization, we march our children ahead with moral values and ethos of values and principles. We endeavour constantly to instil these qualities in our children. We pride ourselves to help them grow and develop into sensitive and responsible citizens of the next generation.

Each issue of our newsletter is a milestone that marks our growth, unfolds our imaginations, and gives life to our thoughts and aspirations. Thank you

enchancing Kathak Performance. He brought Lord Krishna's *baal roop* alive on stage with his divine dance on '*maiyya mori main nahi makhan khayo*'. Students and teachers from almost 10 established schools of repute from Lucknow were witnessed this soulful performance. Founder Principal, Dr. Padma Hariharan felt that the audience looked completely enthralled since the dance was well explanatory and the narration by Sri Vishal was a learning experience for all. She also thanked Spic Macay Lucknow Chapter Head Mr. Pradeep Narain for giving TSSL an enriching opportunity. She expressed her gratitude to all participating schools and congratulated the event co-ordinator Mr. Sunil Singh Negi for organising the event very well.

Rashtriya Ekta Diwas & Halloween

Rashtriya Ekta Diwas was introduced by the Government of India and inaugurated by Indian Prime Minister Narendra Modi in 2014. The intent is to pay tribute to Sardar Vallabhbhai Patel, who was instrumental in keeping India united. It is to be celebrated on 31 October every year as an annual

commemoration of the birthday of the Iron Man of India Sardar Vallabhbhai Patel, one of the founding leaders of Republic of India. To mark the occasion a '*prabhat ferī*' - an early morning walk for a cause was carried out around the school with strict vigilance. The students carried boards with slogans on national unity and messages on peace. A special assembly was held to brief children about the valuable contribution of Sardar Patel to the nation and also a story on 'united we stand, divided we fall' was narrated.

Halloween on 31st October at TSSL was a 'spooktacular' event. The day is on the eve of All Saints' Day which observed world over and a time dedicated to remembering the dead, including saints, martyrs, and all the faithful departed.

For the party organized at school, the students dressed up as zombies and the makeup done by teachers made them look very scary. Class VI & VIII students – Reet Tiwari and Samali Singh could not be recognized even with their hellish makeover. The decoration for the theme party was very nice. The movie ‘Goosebumps’ was shown to children followed by dance on some eerie songs. The party ended up in a patties and cakes treat and no trick!!
